ON THE NEXT LEVEL

Warrior, yes YOU, we are going to the next level in our "Army"! And we give all honor to Abba Father for taking us on this totally new experience. Are you ready to be lifted high and to undertake His promises for us, to hear His voice, to connect to His heart and be filled with the Spirit?

It is time to activate your warrior heart, and become part of the revival in Namibia; it is time for you to take the next step onto the new level!

There is a change coming in Namibia, and we as men and heads of our households should start standing firm in faith, and lead your family on the right path towards our Saviour, for He is the ONLY way: "I am the way, the truth, and the life; no man cometh unto the Father, but by me." John 14:6

But they that wait upon the Lord and shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31

Battle 2 Fight Camp – March & April 2013

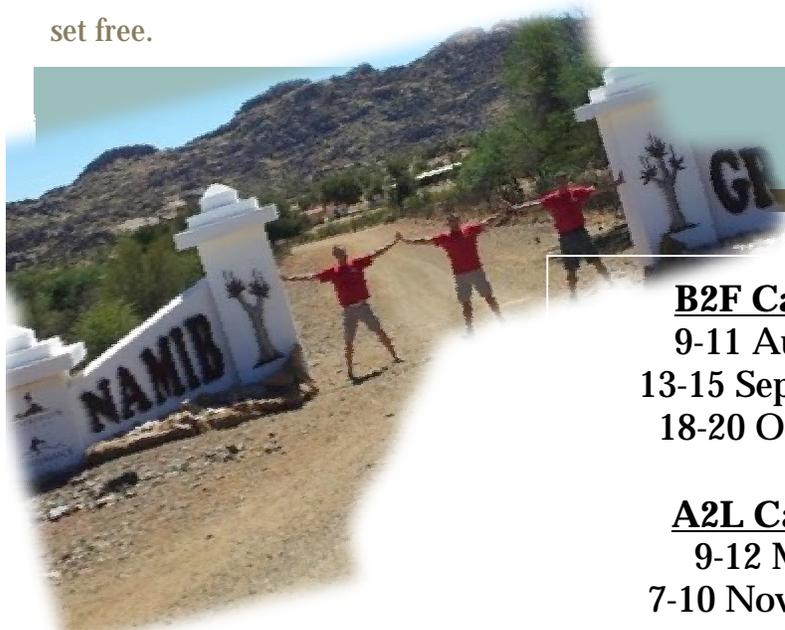

Get into Rhythm with God - Live a Life of Love

The past two Battle 2 Fight Camps were really all about intimacy with Abba Father. The groups were also smaller than our normal numbers, but God worked the wonders in the group, and the spirit moved on a manner that is again indescribable.

All honour goes to Abba for the hearts that have been won, and the lives that have been set free.

We need to get back into rhythm with what God is showing/telling us, He has given us the PERFECT training manual to use, it is time that we take it up, and start exercising according to His Word, and stop to follow the things that keep us from focusing on Him. Do you have the right rhythm? Is you Focus on our Saviour?

Love conquers everything, from Love there comes Life, so be a light in your community, show the love that Father has poured out onto you. Start with your family and then spread out in your community, don't keep it for yourself, He surely didn't! Be an example of His greatness, and help others to also follow Him.

Elnatan April Outreach

What an AWESOME blessed day we had with the kids at Elnatan on their follow up visit.

We started with worship after their break that was so powerful, and then the school said we can have the kids for the rest of the day to serve them, and the kids were just so open to receive, thank you Abba Father!

The afternoon we had one on one ministry sessions with some of the kids and then just an open worship evening. The Spirit moved in that school that evening, and it was just such a blessed event. Never in our lives had we experienced such joy in kids for singing praises to the Almighty God. All honour goes to Him for the changes in every heart of those children!

We have been invited back again for the 19-21 September for another Dunes Camp, and also for the Private Schools weekend in June, to do Worship and some ministry there.

Outlay of Camp David

We want to give you the outlay of Camp David so that you can understand how we work, and that the decisions are not made just by one person.

We as the leaders on Camp David stand under the authority of Abba Father, and on the camp we truly let the Holy Spirit lead us. The structures/programs are in place, but we do what the Spirit shows us to do.

The internal decisions are made by the Board of Trustees of Camp David.

The Trustees make decisions concerning all the financial aspects of the Camp. Then there is a Camp David Board that make decisions concerning the Physical and Spiritual aspects of the camp.

There must be unity between the board members before any decision is taken or proceeded with.

So if anyone has questions, criticism or testimonies concerning the matters of Camp David, you can forward it to the following address:

info@campdavidnam.com or henry@campdavidnam.com

It is very important to us that the men that went through one of our camps had a good experience with the connection of Abba. If there is any unclarity of anything that happened on one of the camps, please do not hesitate to contact us.

Please do not go out and spread rumours about Camp David. Come to us and let us talk it through as adults in the name of Christ.

We do not compromise on anything anymore. So if you see something that you do not agree with, please come to us to discuss the matter. Things like wearing Camp David clothing and misbehaving in public are some examples.

Testimonies

Dit was 'n great kamp.ek het hier gekom as n rebel en die kamp en aktiwiteite het my versag. Ek sal nie omgee om weer so kamp te he nie, dit is baie lekker en awesome geniet.

- Christo Labuschagne

FANTASTIC!! Together with everything the focus is Him and bringing men together for His purpose!! GREAT EXPERIENCE!!

- Brett Viljoen

Elke keer leer 'n mens iets nuuts en expereince. Ons vergeet so maklik en dwaal af en dan is jy terug waar jy was. Nie meer nie!

- Johan Beukes

Ek het na die kamp toegekome met 'n verwagting dat my skoonseun sy hart vir God moes gee. Dankie vir jong manne wat die guts het om nog vir Vader God te werk. Dankie vir almal wat my ondersteun het en selfs gedra het.

- Boet du Plessis

Ek het vir die eerste keer agtergekome dat ek eintlik baie laste dra, maar nie agtergekome het nie. Daai laste is weg en ek voel goed. Dankie

- Coenraad Jearey

Wat 'n groot seen om op kamp 9 nog steeds te leer. Alle eer aan ons vader.

- Marius de Klerk

Ek was hier: Hugo du Plessis. Daar is nie baie plekke wat broeder liefde uitleef en kweek nie. Ongeken!

*Standing together as ONE,
in ONE spirit and for ONE SAVIOUR!*

Hello brothers.

What an experience to stand in Gods army. The Lord has built so much into me this past few months through Camp David, when I say Camp David I'm speaking of all the facets in the ministry. I can't thank Father enough, He is more than enough for us and He is all that I have ever needed and wanted. The Camps are so amazing when you start to hear what's on the Father's heart.

The last B2F Camp Father God has poured out His presence over me that I can't really explain in words to you. All that I felt was perfect Love from Him. While I encountered that Father's embrace He told me: Rion all that I want of you is to stay close to my heart and that's all that matters (intimacy). I realized in some ways I were still performance driven in some areas and not presence driven. Uncle Thinus said on the previous camp you can be in the Fathers house like the oldest son in LUKE 15 but you are not near HIS heart. The Lord shifted my focus that night from all the musts towards His heart. From that position, that intimate position, it's much easier to go out and do all the musts in the Kingdom of God because you start to do it out of Love for Him, your King and Father.

Blessings.
