

WHS Winter Tour Results

The annual WHS winter sport tour took place from 28 April-5 May. Despite the fact that some of our teams have been weakened by the unavailability of a few strong players, are we proud of the results. Our learners performed well on the field and also had lots of fun off the field. A tour like this always add to the 'GEES' in the school.

We would like to thank all the learners, parents, coaches and sponsors that contributed to make the tour a huge success.
