ANUSCHKA BERGMANN: DHPS - HEAD GIRL

My name is Anuschka Bergmann. I am the new head girl of the SRC 2017/18, I am proud to represent the school and will surely try my best to be there for my fellow students. I enjoy being part of the SRC, as I love organizing events and working as a team. We are an ambitious team and hope to create more events for the scholars, which everyone will hopefully enjoy.

FLORIAN HECHT: DHPS - HEAD BOY

As the Head Boy, it is extremely important to me that the communication between teachers and students works out perfectly, since we as the SRC are the linkage. I want to make sure that every student feels home at DHPS and will always be open for new ideas and thoughts.

CARISSA ESSLINGER

Ich möchte mich als SMV-Mitglied einsetzen, wo ich kann. Ich möchte meine Mitschüler gut vertreten und offen sein für neue Ideen, Interessen und Probleme. Ich übernehme gerne Verantwortung und freue mich, wenn mein Beitrag auf viele Schüler eine positive Auswirkung hat.

DANIELLE PADE: DHPS - VICE HEAD GIRL

Ich bin Danielle Pade und gehe in die 10. Klasse. In meinem zweiten Amtsjahr in der SMV ist es meine Aufgabe, unsere Schulsprecherin zu vertreten. Jedes SMV Mitglied soll für die Schülerschaft da sein und diese repräsentieren und genau darum geht es mir. Ich habe immer ein offenes Ohr für eure Vorschläge und Ideen und werde mich bemühen, eure Schulzeit zu einem unvergesslichen Erlebnis zu machen. Alles was wir erleben ist in kürzester Zeit schon zu einer Erinnerung geworden, lasst uns diese also möglichst schön gestalten!

ELIZABETH MIHAYLOVA: TREASURER

My name is Elizabeth Mihaylova and I am the treasurer of the SRC of 2017/18. My duties as treasurer are to make sure the money is kept safe and counted properly. I hope to make DHPS better by playing this crucial role in the SRC. Although I do not have plans for the future yet I am aiming high.

GENEROSA MWANYANGAPO

As part of SRC I would like the fellow scholars to be our voice and us to be their voice. As a SRC member I would like the learners to look forward to attending school for a number of reasons: academics, athletics, and memorable activities. It is my number one mission to give them all the best experience possible because we are a family. I will take the time to listen to the students and their suggestions or concerns. My goal is to make the school an enjoyable environment for all students and teachers. I want to create a balance between learning and fun.

HILTON SWARTBOOI

I, Hilton Swartbooi, was created by God with many purposes. In the SRC I believe that my purpose is to not only connect the students with the teachers but also help guide this school to get to its rightful position. At the top where it belongs.

KOVII MURUKO

I have always been passionate about people and being the voice of the voiceless and being a part of the SMV (since 2016/17) has helped me practice my passion. 2016 has taught me a lot about myself, working with a team and how challenging representing others can be. I am looking forward to a fruitful year with the SMV of 2017/18 and I hope that we will be able to make 2017/18 memorable for the learners at DHPS. It is a great honour to have the opportunity to represent the learners at my school and work with a group of unique individuals.

MATTHIAS LICHTENBERG: DEPUTY HEAD BOY

Mein Name ist Matthias Lichtenberg, ich bin 17 Jahre alt und gehe in die 11. Klasse. Ich bin der Vizeschulsprecher für die SMV 2017/18. Meine Aufgabe ist es, mich für die Ideen und Interessen der Schüler einzusetzen und sie und den Schulsprecher zu vertreten. Für Ideen, Fragen und Vorschläge stehe ich jederzeit als Ansprechpartner zur Verfügung.

NAYERA ELSHEWIKHY

Growing up, I saw people with amazing talents give up on themselves and the loads of contributions they could've offered to the world. I, therefore, always wanted to end that and make my voice heard when I say that they shouldn't give up on embracing who they are. I ran for the SRC, because I wanted to help every learner find the fields they excel in and become the best they possibly can become, therefore encouraging individuality. Individuality is something the world needs more. More ideas and more colours. Now that I am an SRC, I will stick to my promises. I will stay committed to my team, learners and school and as it is my duty, I will help wherever, share my opinions, be the voice for the learners and give it my best. Individuality, as much as it divides one person from the rest, it connects every person to another and therefore, we'll live in freedom.

SONJA SIEBURG

My Name is Sonja Sieburg, I'm in the 10th grade. I am in charge of the public relations of the SRC. I look forward to working together with the new SRC. My goal is to include as many ideas of the students as possible, and making their school life easier.
