

# December 2014 Newsletter

This December, spend some time with your loved ones...

The year of 2013 has passed, how much time have you spend with your family, as father, husband, brother or son?

We are so easily caught up in today's rushed life, if it is not the corporate world, it is in our hobbies, in our "addictions" that we tell ourselves that we need. Is this not a lie and do this not steal the time we could've spent time with the ones who we love?

The holiday season is now upon us, so have you now set out time to spend QUALITY time with your loved ones, or did you plan now a holiday just for yourself to spend with friends, mostly speaking

hear with the young ones to today's society. Yes it is cool to go where the friends go, and to go to this and that club. But have you ever thought that this is only a temporary satisfaction? Rather where you spend time with family and your own wife and kids. Try to do what they want to do and what is fun for them, than what you want to do. You will see, this is much more satisfactory over the long run. And this will speak more into the lives of your loved ones around you.

Go fishing with your son or quad biking, take your daughter to go and buy a new dress and go with your wife just for a coffee, and just talk.

Put away the laptop, don't answer work calls unless emergency. TALK to your family, and show Jesus' love to them, you are the authority in your house, so stand up and be the example your loved ones can look up to.

# Battle to Fight 2014

The courage of a few  
will lead a nation!

What is a man without his authority?  
What is a man without God in his life?

I think a fair answer to this is NOTHING, just another wordly possession! Ask yourself what have you've become when you made God part of your life, when you took up your authority as husband, as father, as the authority in your house. Standing firm in what you believe in, ONE SAVIOUR and ONE GOD!

This is what Camp David stand for, to discover your heart and to restore the STOLEN masculinity, to ignite the FIRE in young hearts AND to return you back to nature where you were created!

We have seen over the past year so many hearts that have been touched, so many souls that have been brought back to Abba, and all honour goes out to Him, because we are mere the instrument in His hands. We give Him all the praise for the revival

that is taking place in each home, in each school in this country of ours!

Our camps are here to gear the men of the nation for a better future, for themselves and for their families. Once you as King of your house realises the power that can work throug your, what God has given you to overcome and battle coming your way, you will know that our God is a living God. And to start each day with Him and to end each day with Him, nothing can describe the liFe you live with Him.

In the world of today we need to put on the full armor of God, to withstand the evils of everyday life, and to empower yourself to fight against the darkness. Even if it just a bad thought, you can gear yourself with the helmet of salvation to withstand the lie or bad thought that wanted to enter your mind.

So send the men of the nation, your brother, your friend, your son, your father, so the the truth can be opened up

to them on a "MANLY" way, because each man's heart longs for a adventure, in nature, because that is what makes you come alive.

# Israel Tour May 2014

2-14 May 2014

Shalom friends!

On my visit to Israel end of October, Abba talks to me about bringing people back to Israel, the land of milk and honey. Gerrit Nel and I (he stays in Israel for the past 10 years) sat one day discussing the possibility of doing a trip for the men of Camp David to Israel. We decided to make it a wilderness tour for the men and a virtuous woman tour for the ladies.

Don't live lives of quiet adventures, because adventure shapes courage!! Adam was created in the outback out of the dirt & dust, out of the earth and he walked and talked to God face to face. Every man of God in the bible did meet Him in nature, to meet your Creator get into nature! We as men need a place where our hearts connect with the surroundings and if your heart is filled with the Spirit the surroundings will activate something fresh and new in your heart. Something that will put you on a new journey with Him, the Maker of all! Where did Moses or David talk to God? Where did Elijah get his strength and endurance? Back in nature in the wilderness, John and Jesus spend time in the wilderness; actually he was led by the Spirit into the wilderness!

What a better place to activate that desire and put you on a new journey as in Israel?

We will leave from OR Tambo 2 May 2014 and come back

14 May 2014. The first week we will be separated, where the men went down to the Dead Sea, take a camel ride into the desert and camp there for a day or two. We leave for Engedi, the place where David hide for Saul, follow the route David travelled! Take a swim in the Dead Sea and find our way back to Jerusalem, where we reconnected with the ladies.

We will be staying in the centre of Jerusalem, close to Zion square, walking distance from the old city, Mount of Olives or Gethsemane. We will take a road trip where Jesus walked and talked! Time to buy gifts or just spent time alone with Abba next to the kotel or the wall.

Then is time to move north to the Sea of Galilee and it surroundings as couples! Take a boat trip on the sea or visit all the small villages around the sea! There is so much to see!

Israel become part of you, it become the blood in your veins. You understand why Abba said it is a land of milk and honey! To experience the bible physical change your life forever!

There is only place for 30 people, to find out more please visit our website!

Baruch ata Adonai Eloheinu Melech ha'olam  
Blessed be the Lord our God King of the universe

## Dr. Gerrit Nel visits Windhoek

### *Dr Gerrit Nel visits Windhoek early January 2014.*

We are three weeks away from the end of 2013 and then the New Year starts, 2014 the year of double blessings (2 x 7). I want to invite you to a special occasion!

Gerrit and Martie Nel from Hebrew people in Jerusalem is going to cover several thousand of kilometres in the beginning of the year, and to make sure that they will visit you they have planned several routes and set out preliminary dates. He is doing tours in Israel throughout the year and knows the Hebrew culture very well. It is always interesting to hear him talking, because he spent a lot of his time talking to rabbis discussing the Word of God.

We would like to make you aware of the date early enough so that you can start to spread the word and book your diaries.

In their apostolic office Gerrit and Martie would like to share several exciting themes what the Father has showed them in their everyday's struggles and life in order to prepare the Bride for the coming of her Hebrew Messiah. But please feel free if there is any topic you would like to be taught on and we could try to work it into the program.

Igniting the fire in young mens hearts

## FIT Camps 2014

Fighter In Training, to ignite the fire in the hearts of young warriors.

We change our name for the school camps to FIT (Fighter in Training)! It is a new season and we are much excited for next year, the year of double blessings. We believe Abba open a new door for us at schools and we want to be instruments in His hands equipping and uplifting the leaders of tomorrow! It's going to be a blast. Households will change from the inside out; the voice of the children will change this nation.

We have a brand new 4 day (from Thursday to Sunday) FIT Camp; end of January, for al the grade 11 boys of WHS. The camp will be action packed with a lot of adventure and endurance. We will teach them to stand up with authority, reject passivity and start leading courageously in their school and surroundings! Their surroundings will not activate a lustful nature and desire anymore because they will know the truth and the truth will set them free!

Our first open FIT school Camp will be held 28 February – 2 March, we are much excited for all the different schools which already booked for next year. From as far as Keetmanshoop, and Stampriet children drive in with busses and then there is local schools in Windhoek! The camp is more or less the same as a battle to fight camp teaching them to restore their masculinity!

A Dune Camp in the heart of the Kalahari will be held 31 January – 2 February under the African sky amongst the red dunes just outside Stampriet. It's going to be a mix camp for boys and girls; we need couples to serve on this camp!

We need you as righteous fathers and young men for the school camps! Become part of our vision to ignite the fire in their young hearts! Our nation is a fatherless generation but we can change that, by showing them Jesus and live with honesty and integrity! If you want to be part of this change in history feel free to contact us! We need you as commanders and watchmen for these camps!
