Dr. Michael Nokokure Humavindu is the Deputy Permanent Secretary: Industrialization and Enterprise Development at the Ministry of Industrialization, Trade and SME Development. Previously he served as Director: Economics and Sector Research at the NCC. He also served as the Manager of Research at the DBN and as an Economist in the Ministry of Environment and Tourism in Namibia. These work experiences have exposed him to developing skills in industrial policy, MSME sector development and finance, natural resource economics, environmental valuation, cost-benefit analysis, financial deal structuring, policy and product development, project and infrastructure finance appraisals and micro and SME credit delivery strategies development. He has also published some of his research as peer-reviewed journal articles. He is currently serving on the Ministry of Environment and Tourism's Sustainable Development Advisory Committee. He also serves on the Boards of Namdeb Holdings, NUST and Agribank. Dr. Humavindu holds a PhD (Economics), an MSc (Finance & Investment) and a MA (Economics).
