

## **TUCNA Regional Consultations on Amendment to the Namibia Labour Act 2007**

The Trade Union Congress of Namibia conducted a series of regional consultations in Erongo, Hardap and Oshana Region. The consultations of the workshop was aimed at soliciting inputs from the leadership of TUCNA. The objective of the consultations was to improve the working conditions of workers and advocate for the rights and interest of workers in Namibia within the Labour Act.

Amongst other issues the workshop addressed some of the major issues within the Namibia Labour Act;

- Basic conditions of workers and their rights
- Unfair Labour Practices
- Registrations of Trade Unions in Namibia
- Health and Safety at the workplace
- Child Labour
- Training on workers rights

The final recommendations of the workshop are expected to be submitted to the Ministry of Labour before the end of 2018.
