I am proud to represent my school and will always be there for my fellow students. Dreams and dedication are a powerful combination.

Ich bin stolz, meine Schule vertreten zu dürfen und werde mich immer für meine Mitschüler einsetzen. Durch Träume und Leidenschaft können Ziele erreicht werden.

HILTON SWARTBOOI: DHPS - HEAD BOY

My name is Hilton Swartbooi and I'm the Headboy of DHPS. I love sports and being at school. Growing is my biggest aim in life, not necessarily in size but mostly in intelligence. There is always room for improvement and one should never say no to it. Before running for an SMV, my goal has always been to bring everyone together as a unit. I believe in hardwork as well as teamwork makes dreamwork. Becoming Headboy of DHPS wasn't just a big honour but also the opportunity to be part of the great rise of the DHPS.

SRC 2018/2019

ELIZABETH MIHAYLOVA: TREASURER

My name is Elizabeth Mihaylova and I am the treasurer of the SRC of 2017/18. My duties as treasurer are to make sure the money is kept safe and counted properly. I hope to make DHPS better by playing this crucial role in the SRC. Although I do not have plans for the future yet I am aiming high.

GENEROSA MWANYANGAPO

As part of SRC I would like the fellow scholars to be our voice and us to be their voice. As a SRC member I would like the learners to look forward to attending school for a number of reasons: academics, athletics, and memorable activities. It is my number one mission to give them all the best experience possible because we are a family. I will take the time to listen to the students and their suggestions or concerns. My goal is to make the school an enjoyable environment for all students and teachers. I want to create a balance between learning and fun.

IMÃN DUNDEE (VICE PR)

My name is Imãn Dundee and I'm in the 10th grade. This is my second year on the SRC and I currently act as Vice Public Relations. This position means that I help manage things like our SRC Instagram page, where the SRC can interact with the students, advertise upcoming events and show them what we do for them or for our school. And that's exactly why I joined the SRC; I thought that my skills could be of good use for my school and my fellow learners and I enjoy being a part of such a great team that does so much for the school!

SONJA SIEBURG

My Name is Sonja Sieburg, I'm in the 12th grade. I am in charge of the public relations of the SRC. I look forward to working together with the new SRC. My goal is to include as many ideas of the students as possible, and making their school life easier.

SRC 2018/2019

NAYERA ELSHEWIKHY

Growing up, I saw people with amazing talents give up on themselves and the loads of contributions they could've offered to the world. I, therefore, always wanted to end that and make my voice heard when I say that they shouldn't give up on embracing who they are. I ran for the SRC, because I wanted to help every learner find the fields they excel in and become the best they possibly can become, therefore encouraging individuality. Individuality is something the world needs more. More ideas and more colours. Now that I am an SRC, I will stick to my promises. I will stay committed to my team, learners and school and as it is my duty, I will help wherever, share my opinions, be the voice for the learners and give it my best. Individuality, as much as it divides one person from the rest, it connects every person to another and therefore, we'll live in freedom.

LUCIA LASSO DREWS (SCHATZMEISTERIN)

Ich bin Lucia Lasso Drews und ich bin die Schatzmeisterin der SMV für das Amtsjahr 2018/19. Mir macht es unheimlich viel Spaß Teil der SMV zu sein und zusammen mit unserem Team so viele Veranstaltungen zu organisieren und die Meinungen und Ideen der anderen Schüler vertreten zu dürfen. Hierbei ist es mir wichtig, dass sich die Schüler verstanden und gut repräsentiert fühlen und keine Angst haben, uns etwas anzuvertrauen. Jedoch ist mir nicht nur die Kommunikation innerhalb unserer Schule wichtig, sondern auch der Kontakt und die Zusammenarbeit mit weiteren Schulen in Namibia. Ich freue mich auf weiteren Spaß beim organisieren und die Chance eine tolle Atmosphäre sowie ein besseres Verhältnis mit Partnerschulen aufbauen zu dürfen.

MARLON REINHARDT (VICE HEAD BOY)

Meine Name ist Marlon Reinhardt und ich bin in der 10. Klasse. Als SMV Mitglied habe ich mir als Ziel gesetzt mich mehr für sportliche Veranstaltungen zu engagieren. Ich möchte auch die Kommunikation zwischen der SMV und den Schülern verbessern.

My name is Marlon Reinhardt and I am in the 10th grade. As a member of the SRC I have set myself the goal of getting more involved in sporting events. I also want to improve the communication between scholars and SRC.

TULI NGHAAMWA (VICE SECRETARY)

I am someone who truly believes in each and every one of us having a purpose in this world, with gifts, special abilities and/or hidden talents that our world needs. This is where my motto comes in, "You must make a choice to take the chance, if you want to make a change" which is what motivated me to join the SRC. It's a big decision one would have to make because that position holds great responsibility, but at the end of the day, I had to get out of my comfort zone to try and achieve my goal. Yes, we can have so many flaws which hold us back or make us give up on certain things that we are passionate about but it's about learning how to turn that into something positive. I want to be the voice of the students but I also want to be heard. I want to be able to face difficulty but also to have people there to support me. I want to be a leader but also, to be a leader with the hope of inspiring others to achieve what they want in life.
