

Topaz and Topaz Plus Chronic Medicine Formulary

GUIDELINES ON THE DISPENSING OF CHRONIC MEDICINE FOR TOPAZ AND TOPAZ PLUS MEMBERS

1. Topaz and Topaz Plus options are primary care options. These two options were developed to provide basic primary health care to the employed who cannot afford the standard options.
2. Only the most affordable and available generics are covered as per the Methealth MNMP list, and restricted to the listed products.
3. There is no member co-payment on medicine for Topaz and Topaz Plus options. Please ensure that you dispense the most affordable and available generic medicine and according to the MNMP Price.
4. For the generic reference price of the listed products, please refer to www.methealth.com.na for the complete Methealth MNMP list
5. Products, where generics reference pricing is not applicable or available, are listed separately.
6. Only the treatment for lifestyle related chronic conditions will be covered: **Anti-hypertensives, Dyslipidaemia and anti-diabetic agents**. Lifestyle modification/management is encouraged
7. Restrictions on Chronic Medications:
 - Chronic Medication requires pre-authorization. Without pre-authorization, claims will be rejected.
 - Chronic medication should be prescribed for longer than 3 months to be registered as Chronic Medication.
 - Only one month's Chronic Medication will be paid at a time.
