## STAKEHOLDERS IN PROJECT FINANCE CONSULTANCY PRESENT TO MINISTER OF MURD

NIPAM, FNB and Keetmanshoop municipality recently presented their project finance proposal to the Minister of Urban and Rural Development Honourable Minister Erastus Utoni. In February 2021, Keetmanshoop Municipality and NIPAM signed a partnership agreement for the project preparation on the financing (construct bulk municipal services) for 390 plots in two townships (Westdene and Krönlein).

On Friday 14 May, the three stakeholders of the project finance consultancy presented to the Ministry of Urban and Rural development for ministerial approval. A project of this scale should first be granted approval from the line ministry before

work can commence as per the Urban and Regional Planning Act, 2018. The minister mentioned that he was pleased with the project, as the national government has targets of delivering serviced land to the public in both HHP2 and NDP5. This project will hopefully go some way in addressing the serviced land shortfall. The minister finally applauded the three stakeholders for coming together to present this project and his ministry will scrutinise the application thoroughly and will revert in a timely manner.

On the right: Minister of Urban Hon. Erastus Utoni and his Deputy Hon. Natalia /Goagoses are flanked by NIPAM management and Councillors from Keetmanshoop Municipality
