

## CUSTOMER CARE

This Communications Skills Course helps people communicate effectively, appropriately and clearly in all situations. This is a great course for public servants as the benefits can have a positive effect on every aspect of their professional and personal lives. Communication plays a pivotal role in the day to day running of any business. As such, it needs to be properly managed as it has the power to either make or break business contacts. Communication can be considered as the heart of all public sector enterprises and the most important of all business skills. The ability to transmit information helps both clients and employees feel they can communicate with and ultimately trust each other. Learn to understand how you communicate, how others communicate and adjust to meet their needs. This will help them receive your message more clearly and improve relationships in general.
