

WEEKLY BULLETIN

ISSUE NO: 33

20-24 September 2021

NIPAM'S STATE OF THE ART CONFERENCING FACILITIES

NIPAM offers world-class conferencing facilities to all members of the Namibian public sector, private sector as well as private individuals seeking modern conference facilities.

accommodate 150 participants with the current Covid-19 regulations and 400 delegates at full capacity.

NIPAM venues come fitted with high-quality equipment, these include state of the art projectors, audiovisual equipment and inbuilt microphones. The aforementioned equipment can aid in the successful completion of any corporate activity, for example, board meetings, team building activities and even abstract activities like dancing and year-end bashes.

In addition to the venues, NIPAM offers on-site catering services. The catering service has different menu's one can choose from. Booking however should be arranged for, ahead of time in addition to the booking of our venues. NIPAM remains committed to fulfilling its mandate by serving the collective Namibian society by providing world-class conference facilities.

NIPAM venues are well suited to accommodate a large number of delegates at any given time, in any given space subject to the ongoing Covid 19 regulations. The venues include Media Labs (Computer Lab), Break Away rooms, Board Rooms and Training Halls to mention a few. NIPAM's biggest venue can
