## MONITORING & EVALUATION

For many new entrants into the public sector, serving the public presents its own unique opportunities and challenges. The expectations of the public are ever increasing and also the standards at which they want these services to be delivered are generally high. It is about delivering excellent service to all citizens of Namibia and our visitors from all over the world in a manner that is in line with our Public Service Charter general principles Standards, Information, Courtesy and Helpfulness, Consultation and Participation, Accountability, Transparency, Accessibility, Non-Discrimination, Quality of Service and Value for Money.

The Foundation Programme was designed to prepare newly appointed staff members at operational level in Central, Regional, Local Government and State Owned Enterprises to adapt effectively to demands and expectations placed upon them.
