## NIPAM'S CONSULTANCY PICKS UP MOMENTUM

As part of its Consultancy Interventions in the Public Sector, NIPAM has just completed the development of the Integrated Strategic Business Plan for the regulator: Electricity Control Board, the Strategic Plan for the Nkurenkuru Town Council and the Annual Plan 2022-2023 for the Office of the President.

The Institute is also in the process of finalizing the Strategic Plans for the Windhoek Vocational Training Centre and Ondangwa Town Council.

Recently, the NIPAM Consultancy Team facilitated the Stakeholder Consultation sessions for the development of the Strategic Plan for the Kamanjab Village Council as well as the Annual planning workshop for Okahao Town Council.

In addition, NIPAM is also busy providing various consultancy services to a number of organisations such as: the Grootfontein Municipality, Namibia Training Authority and Communications Regulatory Authority of Namibia.

Our Consultancy wing continues to receive numerous requests for Consultancy services from various organisations and institutions in the

Public Sector to hold hands in pursuit of Vision 2030 and its subsequent medium term implementation tools namely, National Development Plans (NDPs) and Harambee Prosperity Plans (HPPs).

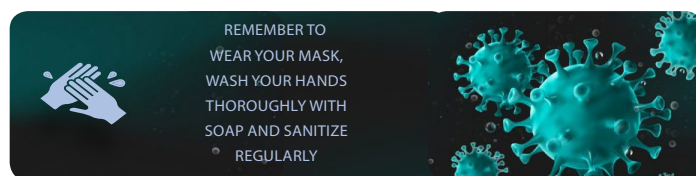

**The Institute also renders consultancy services in the following areas:**

- Business Process Re-Engineering
- Strategic Management
- Performance Management System
- Team Building
- Mentoring and Coaching
- Turnaround Strategy
- Policy Development
- Organisational Development Interventions
