## NIPAM ONGWEDIVA TRADE FAIR 2022

NIPAM took part in the recently concluded Ongwediva Trade Fair (OATF) which started on the 26 August 2022 and ended on 01 September 2022.

At this year's event, NIPAM showcased its key offerings to its clientele and the public. NIPAM's offerings comprised of various capacity-building interventions which were strategically designed to meet the needs of the public sector, such as the recently launched three accreditation programmes. Other short capacity-building interventions that were showcased included Performance

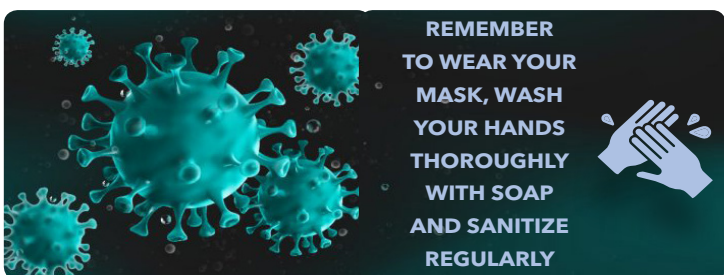

Management Systems, Strategic Management, Business Process Re-engineering, and Project Management.

Furthermore, NIPAM also showcased how it assisted various Offices/Ministries/ Agencies (OMAs), Public Enterprises, Regional Council and Local Authorities with their Strategic Planning and Organisational Development processes.
