## NIPAM ATTENDS THE OFFICIAL OPENING OF THE 2023 LEGAL YEAR

NIPAM Company secretary; Mr Lovemore Mughandira attended the official start of the 2023 legal year held on 08 February 2023 at the Supreme Court of Namibia. This annual event emphasizes the importance of administering justice and preserving the rule of law in the country and the President of the Republic of Namibia Dr. Hage G. Geingob officially opened it.

The president commended the Judiciary for establishing the court-guided mediation process, he urged the line ministry and the Judiciary to urgently address the need for improved accessibility to legal services, especially for persons with disabilities through the incorporation of Braille and sign language services.

NIPAM Company Secretary; Mr Lovemore Mughandira with various members of the legal fraternity

## TRAINING ON THE RISE AT NIPAM

NIPAM strives toward achieving its mandate of capacitating the public sector of Namibia through training. The recent training programs at NIPAM include Project management and Microsoft Excel, attended by regional councils of the Ministry of Urban and Rural Development and officials from the Ministry of Finance.

These programs will ensure that all participants have consistent skills and knowledge to deliver and complete tasks on time and effectively.

## NIPAM INVESTING IN STAFF DEVELOPMENT

As part of its Employee Development Policy, the Academic Affairs staff and the Executive Director attended the four (4) days assessor training programme in Swakopmund. The assessor is suitable for trainers to assess in any field of learning and development. It will enhance the employees' knowledge and skills needed to deliver and complete tasks on time, increasing customer satisfaction and profitability within the organisation.

A well-trained assessor is likely to produce high-quality work and minimise mistakes, leading to more efficient use of systems and the delivery of higher-quality trainees. Assessor Training Course will help build the staff's understanding and application of assessment within education, training and Development practices, and Human resources development.

NIPAM Academic Staff and the Executive Director
