NIPAM PARTICIPATES IN THE ANNUAL PUBLIC ENTERPRISES SPORTS EVENT

NIPAM Staff Members at the Annual PE Games

The Namibia Institute of Public Administration and Management (NIPAM) recently participated in the highly anticipated 08th Public Enterprises (PE) Games held in Rietfontein at the National Youth Service Rietfontein Training Centre in Otjozondjupa Region.

The PE Games, known for promoting teamwork, camaraderie, and healthy competition among various Public Enterprises, took place on 01-03 June 2023. NIPAM's enthusiastic delegation comprising talented athletes, dedicated

coaches, and passionate supporters, represented our institution with great pride and determination.

Here are some highlights from NIPAM's outstanding performance at the 08th PE Games:

1. Sporting Achievements:

Our talented athletes excelled in various sports, including athletics, netball, volleyball, tennis, and chess. Their exceptional performances captivated the audience and showcased the remarkable talent nurtured within NIPAM.

2. Team Spirit and Sportsmanship:

NIPAM's delegation stood out not only for their athletic abilities but also for their incredible team spirit and sportsmanship. Our athletes exhibited unity, respect, and support for their fellow competitors, which earned them admiration and appreciation from the entire PE Games community.

3. Future Endeavors:

NIPAM remains committed to nurturing sporting talent among its staff. We will continue to support our athletes in their pursuit of excellence and provide them with platforms to showcase their skills on a broader stage. With the 09th PE Games on the horizon, we look forward to more extraordinary accomplishments and continued success.

We are immensely proud of our athletes and their exceptional performances at the 08th PE Games. Their commitment reflects their talents and embodies the unity, resilience, and determination that NIPAM installs in its community.

Let us strive for excellence in academics and sports as we work together to build a stronger, healthier, and more vibrant NIPAM community.

NIPAM TO HOST PUBLIC SEMINAR: CHINESE GOVERNANCE REFORMS: LESSONS FOR NAMIBIA

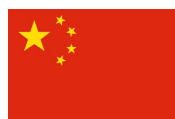

Recently, China has been at the forefront of global economic and social transformation. The Chinese government has implemented various reforms to stimulate economic growth, enhance social welfare, and foster innovation across various sectors. Given the substantial impact of these reforms on both domestic and international fronts, leaders must stay informed about these developments and their potential implications.

As a training institute, NIPAM provides platforms for knowledge exchange and dialogue. Hence, On Monday, 19 June 2023, NIPAM will host a Chinese Governance Reforms seminar at NIPAM Campus, Paul Nash Street, @ 09h00.
